Nara & Grandpa Choy Continue Teaching in Cambodia

Even during our time in the USA for deputation, Nara and Grandpa Choy are still working, sharing stories from God's Word with the children of Cambodia.

Approximately 75% of Cambodia's population is under the age of 24, and reaching these children is one of the keys to changing Cambodia's future.

Even while our original 12 episodes of Nara & Grandpa Choy are continuing to be used in non-broadcast settings, we are finishing editing 12 new Nara and Aunt Vera episodes that we plan to begin broadcasting in early 2007. In addition, we are doing preproduction work on 26 new episodes of both Nara & Grandpa Choy and Nara & Aunt Vera, along with an accompanying Christian education curriculum. Please pray for God's continued anointing on this key project.

Prayer Requests

- Please pray for our continuing deputation time.
- Pray for the continued development of the "Nara and Grandpa Choy" children's programs
- Pray for direction in church planting among unreached people groups

New Opportunities Continue To Develop!

In addition to participating in a number of training seminars, Troy has recently been asked to participate in a meeting for the Strategic Church Planting Initiative (SCPI).

SCPI is a focused effort to plant churches among the more than 600 unreached people groups in the Asia-Pacific region. Please pray for God's anointing and direction in this effort.

Deputation Continues, YOU CAN HELP!

We continue to visit churches, sharing about Cambodia and our ministry, and raising funds to return to the field.

In order to meet our new budget, we need to raise an additional \$3000 in pledges. If each of our current supporters raised their pledge just \$10 per month, we would be halfway finished! Please pray that God would raise up new supporters in the churches we visit.
