CCBI Opens New Kampot Locations

The Cambodia Community Bible Institute (CCBI) has recently started 4 new study groups in the southern province of Kampot. This brings us to about 16 locations and more than 150 students across the country! Even more exciting, those 150 students are then taking the lessons they have learned from our program and re-teaching it to more than 1400 additional students!

Today there are more than 14,000 villages in Cambodia, and only about 18% of them have any kind of evangelical church or cell group as a gospel witness. The Evangelical Fellowship of Cambodia has set a goal of having a church or cell group in every village in Cambodia by 2021. CCBI is focused on training pastors and lay leaders throughout the country in order to equip the church to meet this challenge. Pray with us for CCBI's continued success!

Cambodia Community Bible Institute students try their new Megavoice players.

"The Last Letter" Hits the Streets

"The Last Letter", our evangelistic film, opened in theaters this summer. We are now preparing to release it on DVD, and working on deals for overseas distribution and TV broadcast. Please continue to pray with us that we would be able to get this film into the hands of as many people as possible so that it can be an effective tool for the Kingdom of God in Cambodia.

Working Toward The World Missions Summit

The World Missions Summit is a joint project of Chi Alpha and Assemblies of God World Missions to encourage college student to not only see the need for missions around the world, but to make a commitment to being a part of the solution.

Troy has been asked to be a part of the team that is heading up this effort for the Asia-Pacific region. Please pray for God's creativity and blessing as we continue to make preparations, and pray that God would call these young men and women to become laborers in His harvest fields.

Prayer Requests

- Pray for creativity and anointing from the Holy Spirit as we work with the World Missions Summit team.
- Pray for God's continued blessing on the work of CCBI
- Pray for God's leading and direction as we continue to develop new projects
