Thanks To You!

As Thanksgiving approaches we want to thank you for the part you have played in building God's kingdom in Cambodia.

We have been blessed to have been working in Cambodia since 1994, and it is amazing to see what God has done in that time! Aside from the incredible changes that have taken place in the economy, culture and country in general, the changes that have taken place in the church are incredible! When we first arrived in January of 1994 there were only about 150 evangelical churches in the country. Today, there are more than 4000 churches! God has done incredible things in the lives of the Cambodian people!

Your support makes everything we do there possible! Please continue to pray for us and the people of Cambodia! With your continued help, we believe the best is still to come!

Working Across 3 Continents!

The Nara & Grandpa Choy curriculum is still being developed with our artist in Cambodia, our script writer in Australia, and us in America! Please pray for God's direction as we strive to work together across 3 continents to have everything ready for release by next summer.

YOU CAN HELP!

We need your help to get back to the field! If you are currently supporting our ministry, please consider a small increase in your pledge amount; if each of our supporters increased by just \$10 per month, we would have almost all the increase we need to return to Cambodia!

And if you would like to have us visit your church during our time in the States, Please let us know so that we can schedule a time to be there. For more info check out our website at www.taborfocus.com. Thanks, and God Bless!
